STEM RESOURCES FOR THE CLASSROOM

2 2

Open-ended forum to share content and practice knowledge that furthers STEM education and engagement

VISIT US AT MANATEEFEST AND SEA TURTLE DAY!

We're featuring our 360/VR film *Generation Ocean: Coral Reefs* at ManateeFest at Manatee Lagoon, an FPL Eco-Discovery Center this year. We'll also be at Sea Turtle Day at Gumbo Limbo Nature Center sharing all things *Lagoon Drift*, including drift card decorating for our next experiment. Hope to see you out there!

Mark Your Calendar For ManateeFest 2020!

SPLASH BACK TO FALL 2019

From teaching students about [coral reef science](#) and [ocean currents](#) to [giving youth an inside look](#) at what life is like onboard a research vessel, the ANGARI Education team had a busy and fun fall semester!

November 2019 Lagoon Drift Highlights

> 310 citizen
scientists participated

24% of drift cards
released were reported

Thank you to everyone who participated! To get involved in the next Lagoon Drift (April 2020), contact lagoondrift@angari.org.
