

IMPACT REPORT 2025

ANGARI FOUNDATION

We are dedicated to creating a global community that is interested, knowledgeable and invested in marine and environmental sciences by directly supporting research initiatives that foster a greater trust and dialogue between scientists and the public.

IMPACT REPORT 2025

R/V ANGARI

100th

expedition onboard
R/V ANGARI completed

268

students, educators & citizen
scientists learning onboard

123

scientists working
onboard

53

days at sea

19

expeditions

“The ANGARI research vessel provided an outstanding experience for our team. Their helpfulness and professionalism made our journey smooth and enjoyable. The boat was perfectly equipped, ensuring our research was conducted efficiently.”
