Toasting **10** years of Success

ABOUT US

ANGARI Foundation is a 501(c)(3) nonprofit private operating foundation (EIN# 81-1526218) established in 2016 and headquartered in West Palm Beach, FL. The Foundation is dedicated to creating a global community that is interested, knowledgeable and invested in marine and environmental sciences by directly supporting research initiatives that foster a greater trust and dialogue between scientists and the public. ANGARI Foundation uses innovative technology, film and other media to raise awareness and strengthen science education. Many of the Foundation's primary initiatives involve R/V ANGARI, its 65-foot oceanographic research vessel that serves as an exceptional research and education platform. Since its founding, ANGARI has supported over 100 research and education expeditions onboard its vessel, worked with hundreds of scientists, directly engaging thousands of students and educators, and sharing the ocean world with tens of thousands of people. To learn more about ANGARI's mission and programs, visit www.angari.org.

TOASTING 10 YEARS OF SUCCESS

Every year, ANGARI Foundation hosts an Annual Celebration to bring together all of our partners, supporters, donors and like-minded individuals to celebrate ANGARI's successes and learn about our upcoming endeavors.

This year we celebrate 10 years - a decade of dedication to marine science research and education. The event will be hosted at Belle's Old Port Cove, a waterfront restaurant in North Palm Beach, Florida on Saturday, April 11, 2026 beginning at 6:00 PM ET with the vessel open for tours. The celebration will continue at 7:15 PM ET with a seated fine wine and food pairing. Attendees will enjoy an evening of fun, food and live entertainment alongside science and STEM success stories. Concurrent with this event will be an online silent auction, which will run for one week during the celebration.

Please contact Angela Rosenberg at angela@angari.org or 561-370-7370 for any sponsorship, auction or event-related questions or details.

Celebrate 10 years of success, and show your support for marine science research and STEM education by sponsoring this event.
